SIX WEEKS PRIOR TO ORAL DEFENSE
You must:

- Collect and incorporate feedback from committee members to finalize paper.
- Reserve room for the oral defense.

THREE WEEKS PRIOR TO ORAL DEFENSE
You must:
- Send FINAL capstone paper to capstone committee members (The paper is in its final form and you received feedback from EVERY capstone committee member and have incorporated their comments and suggestions into your FINAL paper).
- Include a list of revisions you made based on feedback from your committee members.
- Capstone committee members will communicate with Capstone Chair as to whether they feel that the paper is ready to be discussed at the scheduled oral defense. If committee members feel more work is needed on the paper, the oral defense may be delayed/postponed. Capstone Chair will communicate this to the student.

THE ORAL DEFENSE
You must:
- Attend oral defense with all capstone committee members.
- Provide brief (10 minute) summary/presentation on your project/paper.
- Discuss the paper and answer committee members’ questions.
- Have all capstone committee members sign Capstone Completion Form.

AFTER THE ORAL DEFENSE
You must:
- Provide the signed Capstone Completion Form and an electronic copy of the final paper to the MPH Program Office.

Note: This checklist/timeline is intended to be the default for all students; however if there is a need for a shorter timeline due to extenuating circumstances, it must be negotiated with all capstone committee members and the MPH Program.
